examination of the application based upon the following remarks.

AMENDMENT

In the Specification

Please insert as the first full paragraph (before line 15) on page 1 of the
specification:

The U.S. Government has a paid-up license in this invention and the right in
limited circumstances to require the patent owner to license others on reasonable terms as
provided for by the terms of National Institutes of Health Grant No. R44 AI36758.
